How To Declare A Temporary Rating For The Medalist Dart League

Use the 10 game Rating Test on a Spectrum Elite Dart Board

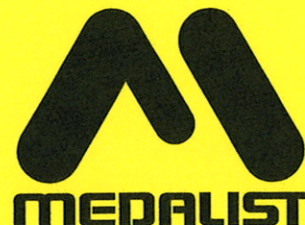

- Five games of Cricket Count-Up and five games of Count-Up
- Rating Test is in the Practice category

Upon completion of the test record the following information:

Final PPR (Points Per Round) _____

Final MPR (Marks Per Round) _____

Rating _____

Discuss your Temporary Rating with your Medalist Affiliated Dart Operator or a friend who is Medalist aware.

You may wish to add a rating point or two to your Temporary Rating.

You should keep in mind that you are estimating your dart ability over the next 10 weeks of league match play. If you make a mistake in declaring your rating one or two points too high, is of little consequence. However, if your final rating is three points above your declared rating it can adversely affect your dart team's standings.

Your Medalist Affiliated Dart Operator has the absolute right to adjust any temporary rating. However, if anyone attempts to LOWER your estimated rating, you should contact Medalist immediately for clarification.

If you have any questions or comments, please contact the Medalist League Department at 1-800-LEAGUES.
